Hours and what to have ready

Lockouts and lost keys are taken 24 hours a day. Spares, coding and other planned work are booked between 8am and 7pm, Monday to Saturday. The price for a late night job is confirmed before travelling.

Have ready the registration, the make and model, the exact street or car park and whether any key still turns. When every key is lost, keep the V5C logbook and photo ID with you at the car, because ownership is checked before a key is made.
