Starting prices

Jaguar job	What moves the price	From
Jaguar blade cut	Standard or laser cut blade	£50
Coding a key you supply	Model year and gateway	£60
Jaguar fob repair	Cell, buttons or a cracked shell	£60
Broken Jaguar key removed	Door or ignition, and depth	£80
Jaguar door lock repair	Which door and the lock type	£80
Jaguar opened	Deadlocks and alarm state	£85
Jaguar ignition or start fault	Barrel, start button or lock	£150
KVM or BCM repair	Module coded back to the car	£150
Jaguar spare smart key	Model year and fob type	£160
Jaguar replacement key	Worn blade or broken shell	£160
Remote key with blade	X-Type, S-Type and older XJ	£160
Every Jaguar key lost	Gateway session, lost keys deleted	£300

Each price is where that Jaguar job starts. Lockouts late at night and E-Pace and I-Pace keys start higher, and the price for your Jaguar is fixed from the registration before Ben drives out.

Jaguar key types

Jaguar key style	Jaguars that use it	Work done at the car
Remote key with blade	X-Type, S-Type, XK and XJ to 2009	Blade cut, chip and remote coded
Smart key, first type	XF from 2008 to 2015 and XJ from 2010	Fob added through the KVM for push start
Smart key, later type	XE, XF from 2015, F-Type and F-Pace	Fob added once the gateway accepts the tool
Smart key, SUV and electric	E-Pace and I-Pace	Priced and coded from the registration
Emergency blade	Inside most Jaguar smart keys	Cut to the door lock for a flat battery

F-Type	Smart key	£160
F-Pace	Smart key	£160
E-Pace	Smart key	On the call
I-Pace	Smart key	On the call

What to have ready

The registration, the Jaguar model and year, where the car is and whether any key still works. Keep the V5C and photo ID at the car, as ownership is checked before a key is cut, and have every Jaguar key there, because adding a key rewrites the list of keys the car accepts. Lockouts are taken at any hour, and planned work is booked between 8am and 7pm, Monday to Saturday.
